Message

In the name of the Father, and of the Son and of the Holy Ghost, Amen. †

Our Lady has asked for peace, unity, and love of God from the bottom of our hearts as Marians. Those who are instrumental for the disunity of the Marian children will be given heavy punishments; plus those who preach disunity will not go to heaven.

*Our Lady did not leave 2 Missions, but **One Mission in the hands of Rose Petal for Africa and the whole world.** Africa will be the “light” of the whole world with Rose Petal as the lead.*

This is the time, the end times, that’s why she is called Rose Petal, the name given by Our Lord; Rose Petal is being used to prepare you with Our Mother – that’s why you will never understand Rose Petal, that is, Our Lady or it is Rose Petal the one who is for this earth– Mrs They are both in one. And that’s why many of you have committed grave sins without realizing. When you talk about Rose Petal you talk about Our Lady, because She advised that, that name should not be used in vain. So it is for the children of light to realize this and to come back to their senses, they are fighting the kingdom of darkness alone, when they divide and go away then they are on their own. And they will never go anywhere; they can get the honors of this earth, but then when they live this earth, they will come before the great judgment, especially those who left Rose Petal and have made their own groups, which are also part of the division. **The disunity has caused a lot of pain to God, to Mother Mary and the whole heaven.**

And if this-unity, is not done quickly for these children to come back, then they will be left out to continue meandering, and preaching heresy because they preach lies and they preach about what they know very well, because they want earthly positions and powers and recognition.

These children are to realize they are on their way to perdition. And those who left Rose Petal having big groups, or all these small groups, are on the way to perdition, and unless they repent and reform and come back; they cannot enter into the Kingdom of God. Because when you say NO to Our Lady - Our Mother Mary, you say No to Jesus whom She gave birth to, you say NO to the Eternal Father Who created Her, and you say No to God the Holy Ghost - Her Spouse.

This is very important, the children of light, because the light has turned to great darkness. So many of you are on the way to hell, to damnation because of your continuous pride that you cannot listen to the Mother of God and giving false messages to the world.

You have little time to come back. If you do not come back, you won't say you were not given a chance, and you won't say you didn't know because you are calling the true seers, false seers, all of them to be seers; and you do not have a measurement to know who is true and who is wrong, you continue to rely on some messages which are from the "king of all lies". No matter how sweet they look, be careful, not to lose yourself to false seers, because when these great chastisements start, and they have started, then it will be very difficult for you to know the truth.

God the Eternal Father - God the Father, Son and Holy Ghost, have chosen Rose Petal and there is nothing she can do, there is nothing any man can do about this. And that's when you come to the narrow path, because when you look at her- Rose Petal, as a person you do not look at God as God, the one who gives and the one who takes. And that's why there are many Marian groups in one country, they are so many. The same in all the countries and in all the parts of the whole world, because why are they so many, because the "king of darkness" wants to have seers to himself, and he has got them.

And whoever is going to make one soul lost, from this mission of Rose Petal, you too will not be able to enter into the Kingdom of God, unless you repent and come back and continue the journey. My children, look and look again in the Holy Bible, it is written "in that time there will be so many false seers", even the church without special graces and praying hard, will not be able to tell who is true and who is false, because they will always be talking about God, about Our Lady, about Angels and Saints; and without a special grace, even the church will approve the wrong instruments as seers. And that's why they are running away from Rose Petal because they know very well she will tell someone... you are a seer or you are not a seer. Because that grace is given to her.

So it is up you My Children, I have told you the truth and I have continued to tell you the truth. Open your hearts, so that you may be able to know the truth and you can only do this if you behave like children of One Mother and One God, God Himself and One Mother, who is Mother Mary.

There are no Two Mother Mary's, and that's why if Our Lady is coming to all of you and God is using you, you cannot fight each other; neither can you **DISUNITE** because you will be One Spirit, One God and One Mother Mary, Angels and Saints as well as One Saint Joseph.

Mother Mary is around, and the seers who are given different graces, they should see Her. And since I have said that, you have to pray so that the evil one may not come as Our Lady. That's why you are having so many instruments because he has been manifesting himself in a form Our Lady, Eternal Father, God the Father, the Son and the Holy Ghost and as Saints. The true instruments of God, you have the grace of discernment, and if you don't have it, pray for it. Even the children of light, with duties, and others, you have the gift of discernment to be able to know what is evil, what is from God, and what is bad, and that which is not from God. And this is the time of great confusion; and many people desiring to be seers, and in the process the devil makes you one, because that desire is very much great in your heart. If there is that kind of feeling, consult with My Child Rose Petal, to be able to help you not to make a mistake, and go on the way of perdition.

The number of seers is reduced, and is going to be reduced with time. All of them will have to disappear; they will be now a very small number for the world, for continents, because we are heading there. And the true seers will not be there for confusion and seeking to be recognized without God making them to be seen and recognized, fighting for seer-hood ; what is from God is from God and is for God.

Be careful, be prayerful, be united, be filled with the great love for each other. Pray as never before. Do good acts all the time, be charitable to one another, be there to give a hand to each other in the time of need. Live together like brothers and sisters of One Mother, so that the world may recognize you and believe in you, that truly We have chosen you in heaven.

And try to move quickly to the heavenly community. There are so many things that will happen very fast and you will not have the time to prepare, because the chastisements have to take place, and so many things which you never dreamt of will happen.

United you will stand, divided you will fall; choose what is right.

The time promised is with you, you have seen all the signs. We ask all the children of light to be strong; your victory is close at hand. Do penance, reparation, fasting for the two days We asked, i.e. Tuesdays and Fridays; and if you can do more, for your own salvation.

I am sad as your Mother, to see a small number of Marians who have come for the Novena prayers (of Saint Joseph), especially when I have called all of you, and the devil tempted you.

There are going to be very few seers at these end times. In Africa, I have already told you, Rose Petal is the Seer, and I have given her many duties. The other seers are falling, looking for positions and powers. I have asked Rose Petal to help bilocation, even to Rome. If you need advice she will tell you, for gossips and other things keep to yourself. Do not criticize and destroy other persons. Let light be light and shine, so that others believe you are the children of One Mother – The Immaculate Conception.

When in this community, it's a grievous sin to scandalize another person – it's not charity; if it is correcting – that's charity.

I found it necessary to come before the start of the Novena, Saint Joseph is a great Saint and many do not even pray.

I thank you My child Rose Petal for recognizing Saint Joseph.

I love you and I ask you to hurry up to build your own home – at the community, because as you continue, the destruction will continue as Jesus said *“not a stone upon a stone will be left standing”* will be fulfilled and this has to happen. For those children who will be there till the end, chosen for the New Jerusalem, you have been chosen, keep at it and God will always bless you.

I love you My children and I bless you; you have to take this message seriously.

I love you and I bless you “In the Name of the Father and of the Son and of the Holy Ghost, Amen”. †

May the blessing of God the Father, and of the Son and of the Holy Ghost be upon you and your families. Amen †

This is the community which will move with all that is in it to the New Jerusalem.

In the Name of the Father and of the Son and of the Holy Ghost. Amen †
