**Theme:** My children, you have no time, I have been telling you before, but look around you, above you and underneath you and all over you; and you will be able to understand that you have no time left for you to prepare ....

### **Message**

In the name of the Father, and of the Son and of the Holy Ghost, Amen. †

My child Rose Petal, and all My children here present today, I Am your Mother Mary - The Immaculate Conception.

My children, My children, My children, what do you want Me to do, that I have not done. For how long Am I going to continue reminding you, the same thing, over and over and over again? My child Rose Petal, My child ..., where are My children? And what have you been doing about it. I know what you have done and what you are doing, but My children you cannot give up at this last minute, when the evil ones are all loosened, they are wondering and meandering all over the world, to take whoever is going to give oneself to them.

**My children, you have no time, I have been telling you before, but look around you, above you and underneath you and all over you. And you will be able to understand that you have no time left for you to prepare the community for yourselves and for others.**

My children of light, light has become darkness because **many of you have stopped praying and believing in My messages** and many of you, you are taking My messages for granted because you have waited and waited and nothing has happened according to the prophecies. But My children, one year to God can be a thousand years and many years; it's My desire My children that you hurry up, the devil is cheating many of you, and that's why you have relaxed, and when I ask you to move to the community, learn to prepare, he is making you to sit here and sit and get late to put up anything for you to be able to stay and to help many others.

My children of light, and especially My instruments, where are you? ..... what are you doing, and why are you giving excuses when you know satan is taking so many souls with himself to hell. What are you waiting for and why have you taken things for granted and even not obeying Me.

My children the instruments of God, if you do not obey, you are going to go like the others, Am going to let you go, because if you cannot listen to My child Rose Petal then you do not know Me, and you do not know God, neither do you know My Divine Son Jesus. Heaven does not make mistakes and it has now been for a long time for you My children doubting the calling of My daughter, My child Rose Petal for these end times. There are so many secrets that she is keeping away from you, because you too, you have stopped believing in her and in Me too , because I have told you repeatedly **that I am always in Rose Petal and with Rose Petal until the end of this generation.**

My children of light, how many times have I told you the division among you is from the king of all lies- satan himself? And with all this you continue to disunite, disunite, and disunite into small many many groups saying they are with Me! The answer is – I don't stay where there is disunity, where you disobey Me and disobey the God who created you. And also My children who are with Rose Petal, there is also division among you. You have divided also, because you don't believe; you believe and at the same time you do not believe. .... My child Rose Petal is not meant only for here, only for Kenyans, Ugandans, Tanzanians and Africa alone: and if you don't move fast, then you will be left behind fighting one another, .....because of this mission.

... And those children who are just sitting watching and they are doing nothing and they can help in this mission, a great punishment is awaiting you, during these great events of chastisements. You will cry bitter tears and there will be nobody to comfort and to console you, because I have given you all the time; God the Eternal Father, Son and the Holy Ghost, have done the same.

The Children of Light in Kenya, what is there that you do not know about Me through My child Rose Petal. So many years have I been with you, so many years I have moved from Kenya, to Uganda, to Tanzania, trying to collect you, and to put you together, but jealousy has grown between you, and you decided to fight and to get the position of Rose Petal to be yours, God does not speak twice, what has been done, has been done, according to God's Divine Will. And what you are now waiting for is the fulfillment of many things which has been prophesied. And those who will not be in My Arch, which is in the hands of My child Rose Petal, you will perish in your sins and disobedience and in your pride.

My children I have to speak openly because you are making many souls to be lost .... and are instrumental to disunity and the loss of many souls, and you will be answerable to any soul that

will get lost because of your cheating. And pretending to be seers when you do not see anything, and imitating My child Rose Petal in everything and even rubbing her name from the messages I have been given to her, and many that have been given to her through Angels and Saints, and from the Holy Trinity, to be your messages; and you advocate they are your messages, and you are giving them in exchange of money and positions of this earth, then you have already had your reward. When you leave this world, you will have to face Me, before you go to the Holy Trinity, and you will give Me an explanation why you decided to cheat and to make many souls to get lost in your hands, pretending to be what you are not. And many are just creating messages, because My Children of light like messages and trying to give so many false messages, which are from the king of lies, and they have made many children of Mine to fall out of grace. I am waiting for you, the Holy Trinity is waiting for you; your days are counted, and you are going to give this account of your deeds to the Holy Trinity and to Me as your Mother.

And also, I want to tell you, that it is My desire and that of the Most Holy Trinity, for you to quickly start moving and building at the community land, otherwise, if you continue the same way, I will give the land to others who will be willing to do the Will of God. And those who will not be there, sitting and watching and the days are passing by. **This world is not your home, you are all passing through it and by it, and none of you knows when your time is going to come, for the Eternal Father to take you from this earth to the next earth, that is to heaven, if you have been listening and prepared;** and to purgatory if you have tried. And for those who have ignored and even caused division upon division, it will be very difficult for you to enter into heaven. Ask those who went before you, they will tell you how they lost heaven by an inch, after working for so many years, pretending to be with My child Rose Petal, and inside causing division among division and upon division.

**My children of light, let those who have ears to hear, hear today, that if you cause a soul any of My child - the children of God to get lost through pretense, falsehood, it will be very difficult for you to be forgiven, because you will be sinning against God the Holy Ghost and all those who do, they find themselves going to eternal damnation.** All sins will be forgiven but the sin against God the Holy Ghost, cannot be forgiven.

My child Rose Petal, stop worrying, you have done what you can do, you have talked to them, you have told them the truth and they are persecuting you for truth and out of jealousy. They will pay for it dearly when they will come to Me in heaven, because they won't enter into heaven, and if they will have a chance they will stay many years in purgatory like forgotten souls for their disobedience and lack of humility.

My children of light, I do not know, why you spend a lot of time here doing nothing for yourselves, any minute lost is a life lost, a soul getting lost. This community is only labeled

under My child Rose Petal, this community belongs to Me. The title given is the one I gave to My child Rose Petal, and the Holy Trinity is the name she gave to this community. But many of My children have refused to listen. ....

**And also I ask you My children to hurry up, the time is not with you, it's not in your hands. ....** Build your own houses where you will be able to live comfortably according to the timing. ... .., and My child Rose Petal knows this, but she has tried to help you, I have tried to help you Myself. How many times have I asked you to move to the community, pray there and prepare the place, ... despite of My words. You are also taking Me as a human being, yes I am, but I am away from the face of this earth.

My children of light, let light be light, and do not pretend, I can see your hearts. You pray for funds, and when I grant you the funds, you do not do what you had promised Me to do in the community. ... I see everything, you will cry bitter tears, because when things are going to start happening it's when you will cry to Me, but I won't listen to your cries. **The time to move to the community is now. Do not wait any longer, and that's why I have asked you many times to pray from the community** so that you can see the difficulties and solve the problems when there is time. ... **The time is getting finished, and when it is finished, you will have nobody to blame except yourselves.**

If you have ears to hear, My children, let you hear. If you have eyes to see, you had better see now. .. prepare, because the money you have its going to disappear, it will become very valueless, even when it is there it will be of no value. And that's when you will cry bitter tears, when you have something you can't use and you have refused to use it for other good things at the community and for yourselves.

..... My children I ask you not to put My child Rose Petal into temptations....Because when things are going to strike and you come here, the doors will be closed, not because I don't love you or My child Rose Petal does not love you, it's because you won't be able to accommodate each and every one of you, .... all My children who are going to come here after the great warning. This I have repeated and this My child Rose Petal has tried to communicate to you.

I love you very much and that's why I want you to be at the right place to prepare it for yourself and for others that God is going to send to you. If you don't listen to Me, then wait for the occasion to take place. You won't say I never told you. ....

It's all for your own good, for your benefit, **let this message reach to My children again, that those who want to be part of this mission, then you have to learn to obey Me and to do what I tell you, because what I tell you is what the Holy Trinity passes to Me.** Later you will know the reason, but now you are not opening your hearts, your mind and your souls. Let those who have ears to hear, let them hear because the time is really running out. Amen.

... I want to ask My child ... to get time, to be at this community more often, because the work cannot be done, and it cannot wait to be done when you are not here, ... And the working committee, the other chairmen, I want them to support this mission, by their presence not only when there is a mission .....

These are My last words for the chairmen of the other places. ... this Mission is from the Hands of the Almighty God, it's not human. They can't decide what should be done, but they have to obey what they are asked to do. Amen.

..Those who refused to listen to My Divine Son Jesus, during His time, they were all sent away.

The greatest among you must be servant and a slave to all, but not a master.

My Son Jesus humbled Himself up-to the death on the cross, He served instead of Him being served to show us how to stay with others and how we should serve one another. And love them without a choice. The first will be last, and the last will be first. Amen.

I love you My children, .... Remember the words of My son priest – ...., that, the Blessed Sacrament can make you lose heaven. If Our Lord, My God and Your God in the Blessed Sacrament, My Divine Son Jesus is not given the respect that He deserves. ... And you have to be careful that you don't get thrown to eternal hell. Do everything with respect and reverence, and you will be blessed, Amen.

And all My other children of light.... know this is a Holy Ground, and this house is Holy. Because even in the absence of the Blessed Sacrament, the Blessed Trinity is here in the absence of the Holy Eucharist, **the Holy Trinity dwells where the Seer sleep and stays**, because **that is the private place where Heaven communicates with the Seer day and night**, throughout the day, Amen.

..I have talked at length. Even when you are passing through this altar, bow. Don't pass as if there is nobody here. This is an altar, because the Holy Images and Holy pictures. And My child Rose Petal, keeps on uniting the altar with the other one which is inside, every day. And praying for the graces to be restored at this altar for those who cannot be with her where she is.

Atukuzwe Mungu Baba, na Mwana, na Roho Mtakatifu, kama mwanzo na sasa na siku zote, na milele, milele. Amina.

You know the Holy Trinity is God, the Omega, the beginning and the end, Amen, that's why I have asked you to acknowledge this with Me. And let this one go to the bottom of your hearts. And you are privileged to have time to come here, to be here, to be with My child Rose Petal. It's a great privilege to you all. Don't abuse it; otherwise it will be taken away from you. Amen.

I love you My children, and I Am happy with the work that you have continued to do and have done. This will not be forgotten on this earth and in the world to come. I will be there waiting for you. To receive you. Amen.

I love you My children, I am happy with the work that you have continued to do for ... My Divine Son Jesus. ... Amen.

I love you My children, and I want to give you My own blessings, and to bless you for the good work that you have done, and which I am happy with, you have done your best, but more is expected from you, because We need a Shrine for the community here, for Me .... Amen.

I love you, and I bless you, in the Name of the Father, and of the Son and of the Holy Ghost, amen. I love you My Children. †
