### **Message**

We adore thee Oh Christ and we bless thee, because by thy Holy Cross, Thou have redeemed the world.

We adore thee Oh Christ and we bless thee, because by thy Holy Cross, Thou have redeemed the world.

We adore thee Oh Christ and we bless thee, because by thy Holy Cross, Thou have redeemed the world.

In the name of the Father, and of the Son and of the Holy Ghost, Amen. †

My child Rose Petal, My child ..., and all My beloved children here present today, its I your Mother Mary the Immaculate Conception.

I have come to be with you and to adore My Divine Son Jesus in the Most Holy Sacrament of the Altar. My children, My Divine Son Jesus is so lonely in the many tabernacles of the world. He is being persecuted in the midst of My children. My son priests are living Him alone when they are busy following the things of this world.

My child and My children, I am very sorrowful at the moment, when I am watching all over My children in Kenya, Uganda, Tanzania, Africa and the whole world, **why have you decided My children, the Marian children to persecute Me and to persecute My Divine Son Jesus, by not listening and obeying Me, your Mother who has been in this world for so any years, why have you listened to the words of the devil.** My children of light, why have you put off the light that

was given into your hearts, God the Holy Ghost, the Spirit of Truth. I am very sorrowful when I see now the shortness of time, and when I look all over the world to those children who used to live like brothers and sisters, children of one God and one Mother, you are now torn apart by the sin of hatred, which I asked you many years to be careful, not to allow the devil to put this great hatred which is blocking many of you from going to heaven.

My children, the whole world is covered with complete darkness of the evil spirits who have been loosened from hell and they are all over the world causing a lot of confusion, a lot of fight and hatred among you. And some of you whom I have brought up through My child Rose Petal, you have abused her, you have rejected her, you have called her all sorts of names, then all these you have said to... It's Me your Mother, who is with Rose Petal, and in Rose Petal, whom you are calling names, and this disunity is from the king of all lies, trying to put pride in most of your hearts to elevate yourself to what you are not, and to be and behave to what you are not, and causing this dilemma of confusion, causing a blunder in the Church of My Divine Son Jesus.

My child Rose Petal, and all My children, I ask you when you are here, to pray as never before, because once these prayers are over and you leave and you go outside the community, the fight is going to be very severe for you. Because I sent an invitation to all My children so many years ago, and when you came here first to these Holy Grounds I also repeatedly kept on inviting My children to come and be with Me, be with the Holy Trinity in this Heavenly community. But you have turned, most of you My request, and you have continued to live as if you have a long time. And if you do not believe in My Messages, My children, its going to be heavy. Because **so many of you have lost heaven and are on the way to perdition, because of your disobedience, lack of faith, and lack of humility.**

My children who are not yet back and have not united with Rose Petal, be careful lest you lose your souls and hand them over to the evil one, satan, king of all lies; he is cheating you and has been cheating you My children for a long time. If you listened to Me, you would have been very far in this community, by now. **My children this earth and all that it contains is not your home, you are just passing by, your home waits for you in heaven, where you will be able to live with Me, Angels and Saints.** But **this is not going to be automatic** they way you think. **You have to work very hard and get ready and move into the heavenly community before it is too late for you enter.** Prepare yourselves well, live each day as your last because as I told you, and as I have said repeatedly, you do not know what will be there tomorrow, the time you expect to do this part. My children pray very much; pray for My son priest ..., because he is now in a very great temptation, ... , My children. Pray for My son priest, pray for all those who support you. Because I had prepared My son ..., for you My child Rose Petal, and for all My children. ...How can I be compared with a movement, I Mary, the Most Blessed among all women, the

Immaculate Conception. How can I be compared with a human being, and the Mission which concerns more souls..

**This is the time of heresy, it is the time of great tribulation, it's a sight, it's a time when many souls are on the way to perdition by refusing and denying the truth.** And this movement of Mine, the Marian Movement, denying My child Rose Petal, and pretending that they don't know the truth when they know everything. I cannot be compared to a human being .... its My day, the day I came on this earth for salvation of many souls that otherwise would have been lost. ...

As I am talking to you, I am seeing a very big crowd of mothers, very near here. They are so many, so many My children and they are soon coming to join you, and to unite with you and to work with you. My children you are to die to your selfishness, and be My children of sincere love, children who cherish and take each other as the children of one God and one Mother.

.. the church has realized the seriousness of this mission. I ask you to pray hard, join hands and pray ... and she needs more people here, ...people who will be in serious prayer. Wajitolee wenyewe for this time.....

I also want, when you are here now to sincerely forgive each other. I can see your hearts, some of you are heavy, very heavy in deed, and whatever you are doing, you are doing it because you have to do, not because of out of love.

**My children, this mission is the mission for the end times, and the battle is going to be very fierce. Read your Holy Bible, and you will understand fully what I am telling you now.** And in this place, you have to have a prayer life, where you are going to deny yourselves. ....

**And the other children who have not come for the prayers, they have nobody to blame, it is going to be so difficult, difficult, difficult for them. Because I find it difficult for them to be forgiven for things they have repeatedly repeated.** They do not come for the prayers, but they want the service from My child Rose Petal. ... if they want to be helped, they have to come to the community for My child Rose Petal to see them, to talk to them, and to pray for them and to pray with them.

Let this go out quickly, that **they have humiliated My child Rose Petal, now and then, and they do not support this mission the way they should.** And if this continues, I will take some drastic action. And God the Father, the Son and the Holy Ghost, will take action upon you. For now We have forgiven you and given you a chance to come back, and soon, if it were possible, before these prayers are closed. If you don't, then, it's for you and with your God, Amen.

I want to give you My blessings and those of the Holy Trinity, Mine and the Holy Trinity will bless you, because I cannot interfere now, the blessings will come now from the Holy Trinity, and Mine I will give you silently.

May the blessings from God the Father, the blessings from God the Son, and blessings from God the Holy Ghost descend upon you. And may My blessings also descend upon you. Because as you continue, you are going to meet many challenges and this will cause many of you to cry, shed bitter tears. It is because you have continued reducing the prayers, dishonoring Me, and refusing to obey God. You think you come here to take for granted of the one who has created you? And above all to humiliate Me before the Holy Trinity?

My children of light, you have hurt Me. Those who have continued to give false reasons for not coming for the prayers and using that opportunity to go for earthly things; where you attend, you spend so much money and you cannot give that money for the community work or the Church of My Divine Son Jesus; even for your own welfare.

My children, there is no time for looking behind. There is no time for staying without anywhere for you to stay in the community. As I told you earlier, **there are so difficult things; difficult moments ahead of you, that you will find not a stone upon a stone will be left standing on each other in this world. And you are going to lose everything, everything.** You will cry bitter tears for them, but many of you will die through this. And then, that's when **you will remember My words, that I warned you, I prepared you, but you refused to listen to Me.** All the time I keep on telling you to move to the community, but you defy My instructions. Angels and Saints, they listen to Me, they obey Me, what about you.

...My child ... My child ..., My child ..., all My workers, promoters get now what I am talking about. **If you do not take action soon, you will perish and you will have nobody to blame** for because I have told you severally, that **We are nearing to the fulfillment of the many promised chastisements which are about to take place.** And with them, then not a stone upon a stone will be left standing. If you wait until then , and that is not far as I am talking to you, then you will perish wherever you will be, because you have refused to obey and to do what I have been sent by the Holy Trinity to bring to you on this world.

And My child Rose Petal needs to be listened to. .... **My child Rose Petal, has been selected and chosen by heaven. That is My child Rose Petal, meaning, Me in her, and her in Me,** We are going to lead Our children, I mean, I say "ours" , Mine, and you belong to her as your mother also on this earth.

Let those who have ears to hear, let them hear. And **if you are not going to come here and help and build this community, you are not welcomed to the community; and you have all not registered to be the members of this community.** And if you continue like this, then I will give

invitation to other children who are even looking for Rose Petal, where she has got lost, what she is doing and your places will be swapped, and that will be that. We can't wait forever. Amen.

..My children, you have seen the difficulties in this community, and you have been seeing them even in the past. I have asked you, and I asked before for you to help My child Rose Petal, ....

My children of light, what has become of you, why should My child Rose Petal suffer in your midst and in your hands. ... some of you, some few a very small number, you have tried, May God bless you for this, bless you with more, and increase what you have.

..May God bless you My children, may God send His Angels and Saints to protect you My child Rose Petal and to protect all those other children who are with you, and many others .... I am with you, and I promise My protection and those of the Holy Trinity, St. Joseph, Angels and Saints. Amen.

Pray more, talk less. .... Its My desire that you honor the Most Sacred Heart of My Divine Son Jesus and My Immaculate Heart, Amen.

I love you My children, and I give now My final blessings. I bless you in the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Go in peace and stay in peace of the Almighty God, God the Father, the Son and the Holy Ghost, Amen.
